

Exploring Relationships and Developing People (ISL Modules 3 and 6)

Two-Day Conference Belgium | September 30 and October 1, 2019

In partnership with VLVO (Vereniging Leidinggevendens Vlaams Onderwijs)

Participants will

- explore emotional intelligence, cultural intelligence and identify strategies that maximize performance when interacting with teachers, students and parents in diverse school communities
- examine personal leadership resources that leaders draw upon to enact effective leadership practices in national and international schools
- understand the importance of relational trust in building a learning community through authentic leadership
- develop an understanding of a professional learning community as a structure that develops collaboration, improves instruction, increases student achievement and builds school and organizational capacity
- explore strategies to build professional capital and collective efficacy to increase motivation and increase student achievement
- understand the impact of collaborative learning communities and networked learning communities to build lateral capacity with other schools and systems and
- enrich an understanding of clear communication, effective problem solving and meaningful meetings to increase focus and attainment of student achievement.

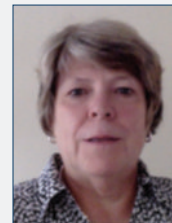

This two-day conference will be recognized as Module 3 of the International School Leadership Certificate Program. Module 6 will also be introduced and submitted online at a later date.

Registration Fee: \$700 CAD (€465) per person (includes program, coffee breaks and lunch)

Location: Hotel Van Der Valk Antwerpen

Hotel arrangements can be booked via VLVO at info@vlvo.be

Registration Deadline: August 1, 2019

Joni Heard - ISL Instructor

Joni Heard is a passionate, committed educator driven by the highest standards. For over three decades, Joni has served in many different leadership roles: teacher, instructor, associate professor, consultant, elementary school principal and education officer with the Ontario Ministry of Education. Her most recent appointments have been in Brazil, Denmark, Norway and Peru to deliver the International School Leadership Certificate program.

"Joni inspires and engages participants with her knowledge and interaction skills ... perfect modeling of methods to use within schools, both in classrooms and during teacher collaboration time."
- Elizabeth Rudi Lund - Principal in Norway
